Chain of Custody Certification

## Environmental Policy

The Ridgeon Group, in recognising a responsibility to the environment, our customers and suppliers, bases its commercial activities on well-managed forests and consequently we are committed to purchasing our timber products from legal sources whenever possible. If you require more information on our Chain of Custody certification or our environmental policies please contact your local Ridgeons branch.

# EX-STOCK CARCASSING

## POCKET GUIDE

For all your carcassing needs ... **TALK TIMBER** with Ridgeons.

The following tables show the unrivalled selection of sizes, lengths and options available in the Ridgeons group. Branches stock ready machined to size, strength graded, kiln dried and preservative treated.

### MACHINED RIDGEONS STRUCTURAL JOISTS
